

Implementation Timeline

A typical partnership roadmap from agreement through annual review. Exact timing is confirmed during planning.

Agreement: Finalize partnership scope, roles, and reporting cadence.

Planning: Align referral criteria, points of contact, and subject priorities.

Setup: Configure scheduling, tutor capacity, and reporting templates.

Launch: Activate referral intake and begin matching referred students.

Month One: Deliver sessions; share first utilization snapshot with leadership.

Quarterly Reviews: Review demand, outcomes indicators, and capacity adjustments.

Annual Review: Evaluate program impact and plan the following year.
